Get HIGH SATISFACTION SCORES

for perfect temperature meals

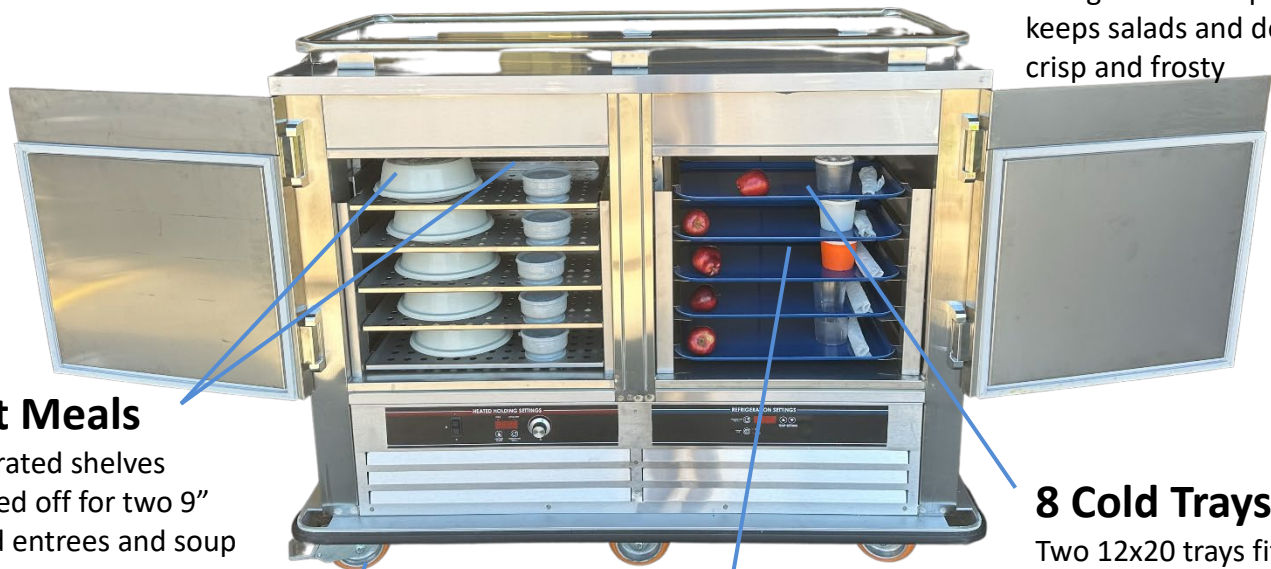

Hot Food at 155°F

Convection heat unit holds entrée / soup / hot beverage at 155°F without drying them out

Cold Food at

36°F

Refrigerated compartment keeps salads and desserts crisp and frosty

8 Hot Meals

4 perforated shelves sectioned off for two 9" covered entrees and soup or hot beverage

8 Cold Trays

Two 12x20 trays fit widthwise into each set of tray channel slots. The slots hold tray edges to keep tray from tipping when pulled out partially.

Easy to Maneuver

6" swivel casters on each end with 6" rigid casters in the middle so you can turn on its own length

Error Proofing

Two hot and two cold on the same level to pair up meals without error.

Tray shelf slides out without tipping for tray assembly
