

Complete Line Of **Safe, Flexible Dinnerware Products**

- ✓ Flexible, yet durable material formulation to enhance safety and value.
- ✓ Full product line of options for personal use drinkware, flatware & food containers.
- ✓ Material can't be broken into shards and if under force, will tend to tear with a dull edge rather than break.
- ✓ Material is too flexible to stab or puncture.
- ✓ Stiffeners added to formulation to enhance product durability and improve practical use.
- ✓ FDA approved for food contact.
- ✓ BPA free
